NOTICE OF FARM ALLOTMENTS AND MAXIMUM ACRES OF WHEAT FOR 1934 UNDER CONTRACTS FOR MEMBERS OF THE WHEAT PRODUCTION CONTROL ASSOCIATION OF APPOMATTOX COUNTY, STATE OF VIRGINIA

Listed below are statements of the allotments which have been determined for members of the Appomattox County Wheat Production Control Association for 1934. These allotments are to be held up until such time as the present wheat contract, and they are the basis upon which adjustment payments will be made. They have been determined by the County Allotment Committee after careful consideration of the application statements. Every effort has been made to have these allotments as accurate as possible. The maximum acreage which may be sown to wheat for the 1934 crop on each farm, under the reduction requirements of the contract, is also listed.

The Appomattox County allotment, which has been calculated from records of the United States Department of Agriculture, is 39,384 bushels. This is the total number of bushels allotted under the wheat plan. The total of the individual allotments, including those allotments which could have been assigned to farms which are not participating under the wheat program, must be in line with the county allotment figure.

WALTER W. SCOTT, Chairman, County Allotment Committee.

Father DARKLEAF'S Column

BY CH.R.

Appomattox county has some-
thing over 8,000 population.
Tuesday, in a quiet election
will over 1,000 votes were cast.
If the entire state voted a
vote rate, a candidate like Bryce
or Peery would poll 750,000
votes instead of 100,000.

Voting is a fetish in Appo-
mattox. And surrounded with
trimmings. Price! Choice day
at the court house precinct
there was a large tray of ap-
ples for voters to munch while
scratching ballots, and E. T.
Mitchell had installed his radio
to grind out "Moonlight and
Ten Cents."

That's an idea for other
counties to copy. Make voting
a pleasure and an honor.

Charlie James shouldn't tel-
in his customers. But he does
and relates that one recently
brought his own eggs along to
be sold in a milk-shake.
Now Charlie announces that
he'll take in eggs on account.

Mother Brightleaf tells a
good one, but we pass along
the story and name. She
overheard that one Appomattox
county citizen was notified
an advance that he would be
called on to pray in public.
Thereupon he sat down and
rote out his prayer, which he
had in his head. However, it
is writing he unwittingly ad-
dressed "you truly" and his name
ended. And when his pray-
er was delivered—that's the
he ended it.

The peace and dignity of the
commonwealth and the decora-
tion of its fellow townsmen
are disturbed not end early
on Monday morning by a gen-
eral idea. However, it is
writing he unwittingly ad-
dressed "you truly" and his name
ended. And when his pray-
er was delivered—that's the
he ended it.
